

CABERNET FRANC

SIERRA FOOTHILLS

Winemaker Notes

Our Cabernet Franc is sourced from vineyards at high elevations in the Sierra Foothills planted on volcanic soils. Due to the long growing season, the grapes develop rich flavors and intense color. The wine exhibits unique characteristics of this varietal: spicy tobacco, graphite, and black olive aromas. It is rich and layered with black cherry and dark chocolate flavors, delicate tannins, and a subtle tang of acidity that provides a well-balanced taste.
