REVIEW

From several older vineyards in the region, the 2023 Painted Fields Old Vine Zinfandel is classic in style, full-bodied yet not over the top, with small additions of Petite Sirah and Barbera. Tart acidity keeps it balanced and more savory than fruity. Nuanced dark cherry and berry fruit lead to graphite, dried herb, and toasted oak, with refined tannins that lengthen the finish. Ideal drinking window 2025-2030.

Andis has a great hospitality space in the heart of Amador County and takes a lighter approach to its wines. Estate winemaker Mark Fowler works with Napa Valley-based winemakers Maayan Koschitzky and Philippe Melka to manage both the estate and source grapes from the wider area.
